

workshops: We teach Model UN around the world

We teach 3-Day MUN workshops at schools and conferences around the world. We work with students and teachers at all grades and any level of MUN experience. We offer four different workshops:

DIPLOMAT For new delegates, we'll teach you everything you need to know to prepare for MUN conferences.

SECRETARY-GENERAL For MUN student leaders, we'll train you in how to lead clubs, chair committees, and host conferences.

AMBASSADOR For experienced delegates, we'll show you proven strategies on how to debate resolutions persuasively and become a Main Submitter.

DIRECTOR For teachers, we offer MUN professional development that will help you empower your students.
